HONGQI HS5

C SEGMENT LUXURY SUV

Extremely Comfortable Driving and Riding Experience

Nappa and alcantara seat trim, aviation grade side foldable headrest, heated and ventilated seats bring extreme enjoyment of driving and riding.

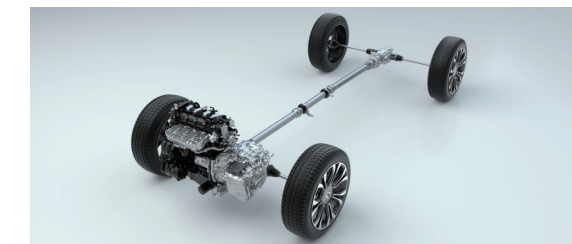

Air Cleaning System

Exclusive active air cleaning technology can monitor and purify the air in real time.

Exclusive Audio System

Bose centerpoint "surround audio system", restores every detail of sound and create the feeling of scene of the theater.

Powertrain and Handling

New Generation TOD All-Wheel Drive System

The new generation of electromagnetic TOD all-wheel drive system of BG Warner with more compact structure and intelligent controls the wheel torque more accurately and greatly ensures the off-road performance.

CA4GC Engine

Based on independent research and development platform of the Third generation turbo charged, direct injection gasoline engine, perfectly balanced power, fuel consumption and emissions.

Five Drive Mode

Five drive mode, eco, comfort, sports, off-road and snow, and intelligent damping control bring enjoyment of driving.

Waterfall Type Front Grille

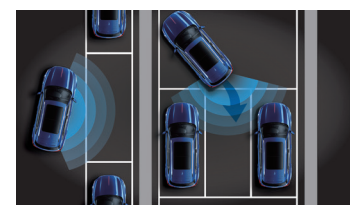

LED Lighting System

LED headlamp with ALS and IHC ensures safety.

Head Up Display

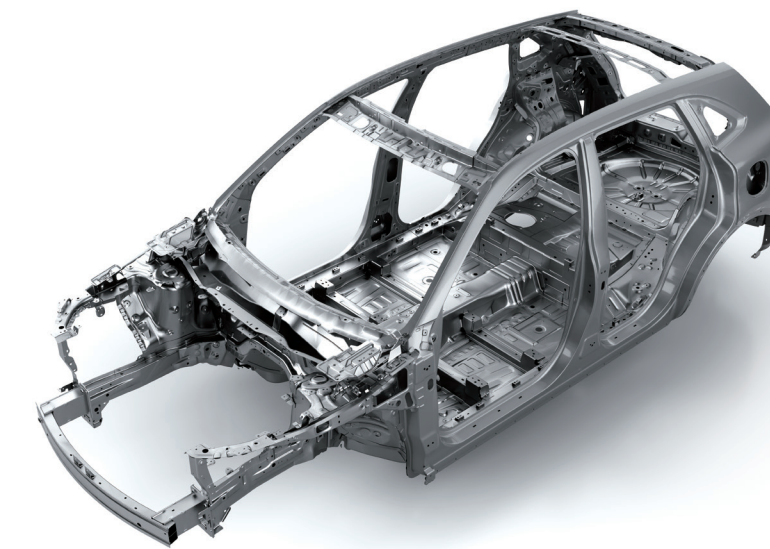

Auto Parking

Auto parking system allows you to deal with vertical, horizontal and inclined parking easily.

Bird's Eye View Parking Assist, Including Perimeter Scan

Panoramic display of real-time image information showed on central console screen ensures parking safety and efficiency.

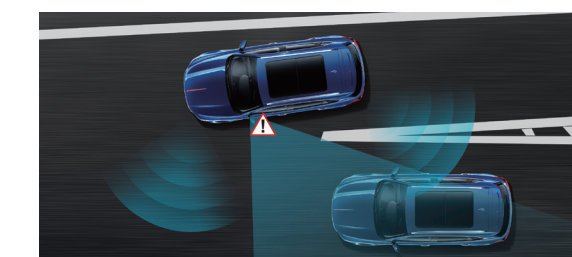

High Strength Body

More than 60% of high strength steel sheet, 1500MPa high strength thermos steel sheet creates safe cage type body structure.

Autonomous Emergency Braking

When the speed is lower than 75KM/h, front collision can be detected and brake automatically.

Blind Spot Detection
